We'll need to close our office for a day or two when we move, and then we'll re-open at our new location. Please watch your email and Facebook carefully for updated information. We'll let you know specific dates as soon as we have them. The new place just 6 blocks North of where we are now.

## The Brella App—It's a "Must" for our debit cardholders! Protect Your Account Against Fraud

If you haven't done so already, visit your App or Play Store and download the Brella Card Manager App. Using Brella is the best way to manage your debit card. You can use the app to set and receive fraud alerts. Our members have found this to be a great way to prevent debit card fraud. You can also use the app to turn your card on and off, plus it's the only way to alert us if you plan to travel out of state. Download it today— especially with the holiday shopping and travel season coming quickly, you'll be glad you did!

### We're still here for our members— let us know how we can help.

The last few months have definitely been difficult for everyone. Whether you've had changes in your health, your employment, or are simply missing friends and family, we know that life doesn't look like it did a year ago for many of our members. Even though our lobby is currently closed, we just wanted to take this opportunity to remind you that despite all the changes in our world, we are still here for you. Please let us know if there's anything we can do to ease your burdens. We'll be happy to help in any way we can.

## 500,000 MEALS

Joining forces with other credit unions in our area, Wisconsin Medical Credit Union is proud to once again be part of Feeding America's holiday Stock the Shelves campaign. Our local food banks and food assistance programs have felt the immense impact of the Coronavirus pandemic. *Your support of a financial donation or non-perishable food items is needed now more than ever before.* Give today to ensure that our local food pantries can continue to provide children, families and seniors in our community with the food that they need during this difficult time. Donations of food items can be dropped off 032871 at the credit union. We will have a special fundraising web page just for our members to use, so watch for that in your email, Facebook and our website, or call us and we'll let you know the website, or how to give by mail. *WMCU will be matching your cash donations! Donations will be taken from October 1st-31st.* Thank you in advance for your generosity!

## Election Day is Tuesday, November 3<sup>rd</sup>

We are living through uncertain times,  
but what's not uncertain is your right to vote!

Although life has changed for all of us as a result of the coronavirus disease (COVID-19) pandemic, it is still important to use your voice and make sure to register and vote. So many aspects of our lives may be uncertain at this time, but what's not uncertain is your right to vote.

At Wisconsin Medical Credit Union, we pride ourselves on giving back to the community and helping members however we can. Considering all the uncertainty in the world, we wanted to remind you that the 2020 general election is quickly approaching. It is important to have your voice heard and participate in the process.

You can check your registration status at [creditunionsvote.com](https://creditunionsvote.com). Additionally, that website can tell you where your polling station is located and what early and absentee voting options you may have if voting in person isn't an option. The current COVID-19 crisis is affecting elections around the country as states add the option to switch to voting by mail or no-fault absentee ballots. You can easily learn more on the [creditunionsvote.com](https://creditunionsvote.com) website.
